Katz began his real estate career in 2002, and dedicated himself to the unique needs of home buyers and sellers. He has been recognized with several performance awards in recent years, including 5 consecutive Chairman's Club awards, the RE/MAX Hall of Fame Career Award and the RE/MAX Lifetime Achievement Award. Katz says that he appreciates the professional awards, but he doesn't plan to rest on his laurels. "What matters is that my clients are happy," he says. "Their testimonials and their referrals are the true awards."

Katz explains that many of his clients relocate to Florida from out-of-state, and that his website, www.JeffreyJKatz.com, has been instrumental in helping him grow his business in what most would consider a challenging market environment. "My website has over 8,000 unique visitors a month. I've welcomed many new clients to Florida online before meeting them in person. They know all about my experience and the market conditions by the time they pick up the phone."

However, the importance of the personal touch is never lost on Katz. "Service is everything. The internet can help attract new business, but service lets you keep it. My clients trust me to take care of them, and I never forget that."
